#### INDEPENDENT AUDITOR'S REPORT

To the Colombia Avocado Board, Inc. Orlando, Florida

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Colombia Avocado Board, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Colombia Avocado Board, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Colombia Avocado Board, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Colombia Avocado Board, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

9261 Sierra College Boulevard Roseville, California 95661

**916.751.2900** 916.751.2979 FAX pccllp.com In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of Colombia Avocado Board, Inc.'s internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Colombia Avocado Board, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of revenue and expenditures – actual compared to budget, schedules of expenditures – actual compared to budget, and schedules of cash receipts and disbursements, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information, except for that portion marked "unaudited," was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. That information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the financial statements as a whole. The information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 9, 2022 on our consideration of the Colombia Avocado Board, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Colombia Avocado Board, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Colombia Avocado Board, Inc.'s internal control over financial reporting and compliance.

#### Other Reporting Required by the United States Department of Agriculture

In connection with our audits of the years ended June 30, 2022 and 2021, nothing came to our attention, insofar as it relates to financial and accounting matters, that causes us to believe that the Colombia Avocado Board. Inc.:

- Failed to comply with laws and regulations and U.S. Department of Agriculture Agricultural Marketing Service ("USDA AMS") Guidelines for AMS Oversight of Commodity Research and Promotion Programs applicable to the Colombia Avocado Board, Inc.;
- Failed to comply with Section 1219.42(b) of the Hass Avocado Promotion, Research and Information Order, relating to the use of assessment funds for the purpose of influencing legislation or governmental action or policy;
- Expended assessment funds for purposes other than those authorized by the Hass Avocado Promotion, Research and Information Act of 2000 and the Hass Avocado Promotion, Research and Information Order;
- Expended or obligated assessment funds on any projects prior to the fiscal year in which those funds were authorized to be expended by the Colombia Avocado Board, Inc.'s approved Budget and Marketing Plan;
- Did not adhere to the original or amended Budget and Marketing Plan for the years ended June 30, 2022 and 2021;
- Did not obtain a written contract or agreement with any person or entity providing goods or services to the Colombia Avocado Board, Inc.;
- Failed to comply with USDA AMS Directive 2210.2, relating to the limitations on the types of investments which may be purchased by the Organization and the insurance or collateral that must be obtained for all of the Colombia Avocado Board, Inc.'s deposits and investments;
- Failed to comply with disclosure requirements for lease commitments (when applicable);
- Failed to comply with standards established relating to contracts and USDA approval letters (if necessary); or
- Failed to comply with the Colombia Avocado Board, Inc.'s by-laws or any other policy of the Colombia Avocado Board, Inc., specifically as they relate to all financial matters, including time and attendance, and travel.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance.

November 9, 2022 Roseville, California

#### NOTES TO FINANCIAL STATEMENTS June 30, 2022 and 2021

#### NOTE 1: NATURE OF ORGANIZATION

The Colombia Avocado Board, Inc. (the "Organization") is a nonprofit corporation, incorporated in Florida on May 13, 2019. The principal purpose of CAB is to promote the interests of entities involved in the production, packing, exportation, importation, and commercialization of avocados from Colombia to the United States as an importer association authorized to receive funding under the Hass Avocado Board. A substantial portion of the Organization's revenues consists of assessment funds transferred to the Organization through the Hass Avocado Board. The Hass Avocado Board was established by the Hass Avocado Promotion, Research and Information Act of 2000 (the "Act") to carry on programs of advertising, promotion, and research for Hass avocados. The program is administered by the Agricultural Marketing Service Division ("AMS") of the U.S. Department of Agriculture ("USDA"). Under the Act, producers pay an assessment on fresh Hass avocados produced in or imported into the Unites States. The Organization qualifies under the Act as an Importer Organization and receives 85% of the assessments collected from importers of Hass avocados from Colombia.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

#### Basis of Presentation

The Organization presents its financial statements in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958, Subtopic 210 (FASB ASC 958-210), *Presentation of Financial Statements of Not-for-Profit Entities*. Under FASB ASC 958-210, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to stipulations;

*Net assets with donor restrictions* - Net assets that are subject to stipulations that will be met by actions or the passage of time.

Revenues and gains and losses from operations are reported as changes in net assets without donor restrictions. Expenses are reported as changes in net assets without donor restrictions. Expirations of donor restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

Donor-restricted contributions are reported as revenues which increase net assets with donor restrictions. However, donor-restricted contributions whose restrictions are met in the same reporting period have been reported as net assets without donor restrictions. As of June 30, 2022 and 2021, the Organization had no net assets with donor restrictions.

#### NOTES TO FINANCIAL STATEMENTS June 30, 2022 and 2021

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

In order to comply with the AMS's investment policy, the Organization is responsible for investing its funds only in interest-bearing accounts that are risk-free and short-term. As of June 30, 2022 and 2021, there was no uninsured cash.

#### Investments

The Organization is required to follow the AMS investment policy. Accordingly, the Organization is authorized to invest in securities consisting of obligations issued or fully insured or guaranteed by the U.S. or any U.S. government agency, including obligations of government-sponsored corporations, and must mature within one year or less from the date of purchase. No investments were held by the Organization at June 30, 2022 and 2021.

#### Membership Dues

The Organization has adopted the provisions of FASB ASC 606 as revised by ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606). Dues are assessed to members annually based upon membership type. Dues received in advance are deferred and recognized as revenues in the period to which the dues and fees relate.

#### Import Assessments

Importers of Hass avocados from Colombia are assessed based upon pounds of avocados imported into the United States. Assessments are collected by U.S. Customs and remitted to the Hass Avocado Board, which transfers 85% of collected assessments to the Organization. Import assessment revenues are recognized when earned.

### Program and Functional Expenses

The Organization incurs advertising, promotion, and research expenses in its mission to maintain and increase the awareness and consumption of Hass avocados imported from Colombia within the United States. Program costs are expensed when paid. All functional expenses incurred by the Organization are directly allocated.

#### Lobbying Expenses

The Organization is prohibited from using assessment funds in activities influencing legislation, governmental action or policy. Accordingly, the Organization has incurred no lobbying expenses.

#### Income Taxes

The Organization is exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code. Accordingly, these financial statements do not include any provision for federal income taxes. After they are filed, the Organization's income tax returns generally remain subject to examination by federal taxing authorities for three years.

#### **Advertising Costs**

Advertising costs are expensed as incurred. Advertising costs for the years ended June 30, 2022 and 2021 were \$63,657 and \$2,062, respectively.

#### NOTES TO FINANCIAL STATEMENTS June 30, 2022 and 2021

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Estimates**

The presentation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Subsequent Events

Events and transactions have been evaluated for potential recognition or disclosure through November 9, 2022, the date that the financial statements were available to be issued.

#### NOTE 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization's working capital and cash flows are consistent throughout the period as assessment fees are collected at various dates in the period. Monthly cash outflows vary each year based on the specific requirements of promotional and marketing campaigns programed in the year.

The Organization's financial assets available within one year of the balance sheet date for general expenditure are as follows:

	2022	2021		
Cash Accounts receivable	\$ 389,165 186,703	\$	220,912 -	
Financial assets	575,868		220,912	
Less those unavailable for general expenditures due to designations for advertising, promotion and research	(524,206)		(151,314)	
Financial assets available to meet cash need for general expenditures within one year	\$ 51,662	\$	69,598	

#### NOTE 4: RISK AND UNCERTAINTIES

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses. While the disruption is currently expected to be temporary, there is considerable uncertainty around its duration. The Organization expects this matter to negatively impact its operating environment; however, the related financial impact and duration cannot be reasonably estimated at this time.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Colombia Avocado Board, Inc. Orlando, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Colombia Avocado Board, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 9, 2022.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Colombia Avocado Board, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Colombia Avocado Board, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Colombia Avocado Board, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Colombia Avocado Board, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

9261 Sierra College Boulevard Roseville, California 95661

916.751.2900 916.751.2979 FAX pccllp.com

## **Purpose of This Report**

Propo Christenson Caniglia LLP

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
